Dear Sir,

**Solar powered Lights donations**

I was contacted by Mr. Bernard to donate some solar powered Lights to Badulla District, Sri Lanka. I have discussed with several Divisional secretaries and finally selected 20 houses 10 each from Meegahakula and Lunugala Divisional secretary areas in Badulla District. Those houses were selected by Divisional secretaries through their Grama Niladaries. I deliver this name list to your Organization as below and please help those families who did not have electricity facilities.

Thank you helping them

Gamini Mahindapala Jopheus

Secretary
